MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

SUBJECT : NFAC Activity Report, 23-27 November 1981

DCI/DDCI Assigned Tasks

The Office of Imagery Analysis is preparing for the DCI a narrative and photographs on stockpiling of Soviet military bridging equipment in Warsaw Pact countries; it will be ready next week.

In response to a request by the DCI, SOVA is drawing up a research proposal for the NIO/USSR-EE on the relationship between the Soviet state and its people.

NESA analysts will meet 30 November to prepare terms of reference for an in-depth analysis on Qadhafi and his revolution.

Terms of reference for the DCI-directed study, The Technology Acquisition Efforts of the Soviet Intelligence Services, were distributed to the NFIB principals. The first working group meeting, to be chaired by the C/TTAC, is scheduled for 7 December.

25X1

At the DCI's request, the Central America Working Group is drafting a status report on the insurgencies in Central America for the 1 December NSPG meeting.

Of Interest This Week

D/NFAC attended the SIG meeting on Somalia; a report has been forwarded.

D/NFAC met with William Greene, Deputy Assistant Commissioner for Border Operations in the US Customs Service, to discuss ways in which intelligence can aid Customs in preventing illegal technology transfer.
